

All fellow clerks,

It is Silent Auction time !!!! Is everyone getting ready ? This event held during the summer conference is one of the biggest events that we hold to help the scholarship program and to help with our continuing education. I put a challenge out there for everyone to bring one item, that's it just one item big or small every little bit helps. So, get those items together and let's bet our goal from last year. If you have any questions please email me at cperry@cityofhernando.org or call 662-449-3152.

Can't wait to see everyone in June.
